This replaces AT 07-21 & Info Memo #14-03. In February 2014, we migrated programming changes to CARES for the PARIS/VA match. CARES now generates the PARIS VA alerts beginning with the March 2014 PARIS Matches. Attached is a PARIS Alert Guide for the Interstate, Veterans Administration and Federal alerts (alerts 993, 994, and 995). In addition, we posted this guide on FIPNet and the DHR public web site.

**INQUIRIES:**

Please direct FSP policy questions to Rick McClendon at 410-767-7307 or [rick.mcclendon@maryland.gov](mailto:rick.mcclendon@maryland.gov), TCA policy questions to Marilyn Lorenzo at 410-767-7333 or [marilyn.lorenzo@maryland.gov](mailto:marilyn.lorenzo@maryland.gov) and MA/MCHP questions to DHMH Divisions of Eligibility and MCHP at 410-767-1463 or 1-800-492-5231 (select option 2 and request extension 1463). ## **Processing PARIS Alerts**

### **CARES ACTION REQUIRED:**

CARES generates the following 2-tier alerts when there is a PARIS match:

- 993 – PARIS/Interstate Match
- 994 – PARIS/VA Match
- 995 – PARIS/Federal Match

CARES generates the appropriate alert and sends it to the case manager of record for all matched customers who are in an active status in TCA, FSP and/or MA

- The first tier of the alert will indicate the type of match and the individual's name. Access the alert using option **D** (Alerts) on the CARES Main Menu and then option **B** (Priority Detail List).
- Access the second tier of the alert by entering **Y** to the left of the alert and pressing the **PF13** key. CARES will display the individual's name, Social Security Number, and the PARIS match information received.
- Disposition the alert from the **ALPR** (first tier) screen by entering the correct disposition code to the right of the alert and pressing **Enter**:
  - 1 – No Change Due to Match – Already Reported
  - 2 – Case Closed/Denied as a Result of Match Information
  - 3 – Case Closed/Denied for Reason Other Than Match
  - 4 – Benefits decreased as a Result of Match Information
  - 5 – No Change as a Result of a Match – Income Excluded
  - 6 – Incorrect Match or SSN
  - 7 – Referred to OIG for Investigation
  - 8 – Child Matched / Referred to OIG for Investigation
  - 9 – MA Only, Referred to DHMH
- Once you “disposition” an alert you cannot retrieve it to enter a new disposition code. However, you may view the alert by pressing **PF23** from the customer's **ADDR** screen.

## 993 CARES Alert - PARIS Interstate Match

### **Second Tier Codes:**

When accessing the second tier of the 993 alert, the top half displays current CARES information (i.e. name, date of birth, IRN, SSN, address, benefits received). The bottom half displays the information received from the Interstate Match. The information provided is State Name, Reporting State Phone Number, Fax Number, Client Locator Code, E-Mail Address, Optional Information, Customer Name, Address, Date of Birth, SSN, City, State, and Zip Code. In addition, the state may provide a case number and the begin and end dates for the benefits the customer is/was receiving in their state.

The Case Manager, upon receipt of the alert, must review the information provided on the second tier and compare it to the information in the CARES record. If the agency already knows the information, verify that the benefits are no longer active in another state, document it in the CARES narration, and disposition the alert using the PARIS disposition codes.

If the information is new to CARES, request proof of closing from the customer and/or contact the reporting state to determine whether the case is still active. If there is an end date listed on the alert for the other state, we must still verify the information, because this field is not standard among states and may not contain the most current data. For example, some states enter the most recent complete certification period in the begin and end dates but do not capture the current certification period.

Several states have provided a list of contacts for their state and these lists are available under the Contact Lists, PARIS Contacts option on **FIPNet**. If you need a state contact for a state that is on the FIPNet list, please contact Gina Roberts at 410 238-1249 or [Gina.Roberts@maryland.gov](mailto:Gina.Roberts@maryland.gov) and provide the state needed and the customer's CARES IRN. She will either provide contact information to you or contact the state to obtain the necessary information.

## 994 CARES Alert - PARIS VA Match

### Second Tier Codes:

When we access the second tier of the 994 alert, the top half displays current CARES information (i.e. name, date of birth, IRN, SSN, address, benefits received). The bottom half displays the information received from the Veterans Match. The demographic information provided is Veteran's Name, Veteran's SSN, Spouse's SSN, Payee Name, Payee SSN, and Address. The benefit information provided is Payee Number (see attachment for code definitions), Record Type (see attachment for code definitions), Recent Award Date, and Recent Award Amount.

The Case Manager, upon receipt of the alert, must review the information provided on the second tier and compare it to the information in the CARES record. If the income is already known and documented in CARES, make sure to record the proper income type code VA on the UINC screen. Properly coded VA income will prevent future alerts.

If the income information is new to us, contact the customer to obtain verification. The customer must provide the documentation from Veterans Affairs. Some customers have a VA claim for benefits, but are receiving zero payment for failure to file an Income Questionnaire, Failure to Furnish Requested Evidence, Failure to Report for Physical Examination or Whereabouts Unknown. By contacting Veterans Affairs, the customer may be able to resolve the situation and have their benefits reinstated. In addition, some VA recipients, spouses, and dependents may be eligible to receive medical coverage through CHAMPVA, TRICARE or Veteran's Health Care which may include aid and attendance to help pay for long term care, housebound allowance, and/or medical expenses.

If the customer is unable to verify VA benefits, the case manager may fax a request to the Veterans Administration at 410-230-4542. The verification request must include the veterans full name, date of birth, social security number, and a signed consent form. Another option is to call the VA Hotline at 1-800-827-1000. When prompted do the following:

- Press (1) for Current Monthly Check Amount.
- Then press (1) for Veteran,
  - Step 1 – Enter VA File Number and press #
- (2) for Spouse, Widow or Widower, or
  - Enter the Veteran's VA File Number and press #
- (3) for Parent of a Deceased Veteran
  - Mother of Deceased Veteran, press 1
  - Enter the Veteran's VA File number and press #
  - Father of Deceased Veteran, press 2.
  - Enter the Veteran's VA File number and press#

## 995 CARES Alert – PARIS Federal Match

### **Second Tier Codes:**

When we access the second tier of the 995 alert, the top half displays current CARES information (i.e. name, date of birth, IRN, SSN, address, benefits received). The bottom half displays the information received from the Federal Match. The demographic information provided is Name, Date of Birth, SSN, and Address. The benefit information provided is Benefit Type, Category Code, Agency, Pay Plan, Pay Status, Pay Grade, Pay Step, Gross Pay, Fed Taxable Wages, Pay End Date, and Retirement Pay Effective Date.

Upon receipt of the alert, the Case Manager must review the information provided on the second tier and compare it to the information in the CARES record. If the income from the alert is already known and documented in CARES, review the CARES coding to make sure it is correct. Please code Federal pension income as 'FP' on the UINC screen to avoid receiving additional alerts for this income.

If the income is new information, contact the customer to obtain verification. Allow the customer a minimum of 10 days to return required verification that the Case Manager does not have access to through other means. Do not take any action on the case until the customer has been allowed adequate time to obtain and submit the verification. Allow 10 days adverse action time before reducing or closing the case.

In addition to income, certain recipients of federal income may be eligible for or already receive health benefits. Active duty service members, their spouses, and unmarried children and uniformed service retirees, their spouses, and unmarried children are eligible for TRICARE benefits. If a customer is receiving TRICARE benefits and active in medical assistance, we must complete the TPL (Third Party Liability) screen with the TRICARE information. Customers who are employed by or have retired from the Federal government (non-military) also may be eligible for health benefits under the Federal Health Benefits Employee Program. The customer must verify whether or not they receive health benefits and if so, we must enter this information on the TPL screen.

If the customer is unable to verify civil service retirement, the Case Manager may contact the following Federal Office of Personnel Management:
